

OnShip Station All-In-One Scale, Parcel Dimensioner & Label Printer

Your ULTIMATE Shipping Solution!

www.onshipelite.com

NTEP Certified 70-Pound Capacity Scale Lowers Your Shipping Costs

High Capacity : Accurately weigh packages up to 70 pounds.

Saves Money : Ensure every package is accurately measured to avoid any shipping weight discrepancies, and costly post shipment weight adjustment charges from carriers.

Easy To Use : Intuitive design allows for quick and easy weighing of all your packages.

3D Package Dimensioner Lowers Your Shipping Costs

Advanced Technology : Measure the dimensions of any package with state-of-the-art 3D technology to eliminate costly post shipment DIMS adjustments from carriers.

Efficient : Save time with automatic and ACCURATE dimension measurements.

Saves Money: Eliminates costly post shipment carrier surcharges for wrong dimensions.

Discount Shipping Rates Save You Hard Dollars

Discount Rate Marketplace : Rate shops all carriers to find lowest cost carrier.

Add Your Rates: Quickly add your discount rate accounts, too!

Saves Money : Lowers your shipping costs and increases your profit margins.

Flexible : We offer deeply discounted rates from all major carriers.

Delivery Address Validation Minimizes Costly \$20+ Address Correction Fees

Saves Money : At \$20+ per bad address, these fees are a real drag on profits!

Drives Revenue : Minimizing post shipment carrier surcharges helps your bottom line
